## EXPERT OPINION No. 3806190205

Request of the day 19.06.2018.

Request no. 3806190205

Sample identification: 3806190205

### **Expert opinion:**

Based on results of laboratory tests it was concluded that the following samples are:

Sample	Opinion
Neven Oil	fulfill health and safety criteria

according to requirement prescribed by the Regulation on conditions related to the safety of nonfood consumer products that can be placed on the market (Official Gazette SFRJ no. 26/83, 61/84, 56/86, 50/89, and 18/91). Analysed samples meet also corresponding requirements of the Law on health safety of non-food consumer products that can be placed on the market (Official Gazette RS 92/11) and according to Regulative 76/768/EEC.
